

UNDERSTANDING YOUR BILL

We know that electric bills can be confusing. We listened to your comments and suggestions, and redesigned our bill to be cleaner, clearer, and easier to understand.

The first page of your bill features redesigned elements that make it easier for you to find and understand the following:

- 1 When and what you need to pay is shown in multiple places
- 2 Your account information such as name, mailing address and account # (see page 3 of your bill for more account detail)
- 3 Your monthly budget amount is shown (details on this amount are found on page 3 of your bill)
- 4 Track your usage and how it compares over the past year
- 5 The message center is where we'll share important messages with you such as relevant programs and services

The second page of your bill contains general information about the bill, including definitions of common terms on your bill, features and programs available to you, and contact information for questions.

Pittsburgh, PA 15219-1942

Understanding Your Bill

- Customer Charge** - A monthly basic service charge that includes costs for meter reading, customer billing, service equipment, and other expenses. These expenses are incurred even in months when customers do not use electricity.
- Distribution Charges** - Basic service charges for delivering electricity over a distribution system to the home or business from the transmission system.
- Distribution System Improvement Charge (DSIC)** - A charge for company investment to improve service quality and increase safety by repairing, improving, or replacing eligible infrastructure used to deliver electricity.
- DLC Charges** - Services necessary for the physical delivery of electricity service, such as supply, including default service, transmissions and distribution.
- Kilowatt-Hour (kWh)** - The basic unit of electric energy for which most customers are charged. It equals the amount of electricity used by 10, 100-watt light bulbs left on for one hour.
- Meter Reading** - An actual (Act) reading is a reading taken from the meter. An estimated (Est) reading is used when no actual reading is available and is based on past electric usage.
- Non-Basic Service Charges** - Any category of service not related to basic service.
- Smart Meter Charge** - Charges for advanced metering technology and related infrastructure that will provide the ability for features such as two-way communication and interval usage data.
- Supply Charges** - Basic service charges for generation supply to retail customers.
- Transmission Charges** - Basic service charges for the cost of transporting electricity over high voltage wires from the generator to the distribution system.

Customer Assistance Program (CAP)

CAP is Duquesne Light Company's discount program for residential customers whose total household income is at or below 150% of the Federal Poverty Guidelines. Customers who enroll in CAP are eligible for a reduced monthly payment based on their verified household income. The CAP Program also includes an opportunity to have existing debt forgiven. Please call a CAP Specialist at 888-393-7600 with any questions or for information on how to enroll in the program.

UNDERSTANDING YOUR BILL

The final page of your bill will have information specific to your account. These include additional notifications from DLC plus account details such as:

- 1 How much electricity (kWh) you used for the listed billing period
- 2 The location of your DLC rate service has moved from page 1 to page 3
- 3 The charges for DLC to deliver electricity to your home
- 4 The charges to produce the electricity delivered to your home
- 5 Your budget detail is here and DLC reviews it every four months
- 6 If you've chosen a supplier or would like to shop for one, this section includes important details such as your supplier agreement ID, rate schedule and supplier contact information
