

# ELECTRIC SUPPLY SHOPPING COULD SAVE YOU MONEY

## 01

### REVIEW

Look at Page 3 of your DLC bill and determine how much you're paying for your electric supply.

### SAMPLE DLC BILL

A sample DLC bill with various sections and charges highlighted by orange circles and boxes. The sections include Account Detail, Current Bill Details, DLC Charges, Supply Charges, and Service Charges. The charges are listed with their respective rates and amounts.

Section	Item	Rate / Amount
Current Bill Details	DLC Rate	\$0.0936 / kWh
	Price to Compare	\$0.082683
DLC Charges	Distribution	724.0980 kWh @ \$0.082683
	Distribution	-0.09%
	DSIC Surcharge	
Supply Charges - ABC ENERGY	Generation-Trans	724.0980 kWh @ \$0.114900
Service Charges		

## 02

### COMPARE

Compare supply charges to the default service rate on your DLC bill, also known as the "Price to Compare" (PTC), and suppliers at [PAPowerSwitch.com](http://PAPowerSwitch.com).

## 03

### INQUIRE

If you're paying more than the PTC, ask your supplier about the terms and conditions of switching from your existing contract.

## 04

### SAVE

Scan the QR code or visit [DuquesneLight.com/PTC](http://DuquesneLight.com/PTC) to shop for electricity supply rates and potentially save money.
