

DUQUESNE LIGHT COMPANY

All Employee Staffed Facilities Shared by any Transmission Function Employees and Marketing Function Employees

Duquesne Light Company does not employ any marketing function employees and thus no marketing function employees share physical space with its transmission function employees.

While some upstream owners of Duquesne Light Company own entities that employ marketing function employees such that certain of Duquesne Light Company's affiliates employ marketing function employees, such persons do not have access to Duquesne Light Company's IT systems or any transmission function information stored thereon and they do not share any physical facilities with Duquesne Light Company.
