Diverse Supplier Form

Definition of Supplier Diversity Business Classifications:

Disability-Owned Business Enterprise (DOBE)

A disability-owned business enterprise must be at least 51% owned, operated, managed, and controlled by one or more individual(s) with a disability as defined by the Americans with Disabilities Act of 1990 and Revision of 1997 who are legally authorized to work in the United States. Further, this enterprise must exercise independence from any other business enterprise and must have its principal place of business in the United States and be formed as a legal entity in the United States.

Disadvantaged Business Enterprise (DBE)*

A small business that is at least 51% owned, operated, managed, and controlled by one or more socially and economically disadvantaged individuals as determined in accordance with the requirements of the U.S. Department of Transportation.

Historically Underutilized Business Zone (HUBZone)*

A small business that is at least 51% owned, operated, managed, and controlled by one or more United States citizens, a Community Development Corporation, an agricultural cooperative, a Native Hawaiian organization, or an Indian tribe with its principal office located in a historically underutilized business zone (HUBZone). Additionally, at least 35% of its employees must reside in a HUBZone.

Lesbian, Gay, Bisexual, Transgender Business Enterprise (LGBTBE)

A business that is at least 51% owned, operated, managed, and controlled by one or more lesbian, gay, bisexual, transgender (LGBT) or gender non-conforming individuals who are located in the U.S. or its trust territories and are either U.S. citizens or legal permanent residents.

Minority Business Enterprise (MBE)

A business that is at least 51% owned, operated, managed, and controlled by one or more minority individuals who are located in the U.S. or its trust territories and are U.S. citizens. Ownership, in the case of a publicly-owned business, means that at least 51% of its stock is owned by one or more minority group members.

Service-Disabled Veteran Business Enterprise (SDVBE)

A business that is at least 51% owned, operated, managed, and controlled by one or more U.S. service-disabled military veterans with a service-connected disability located in the U.S. or its trust territories who were discharged and released from active duty under conditions other than dishonorable.

Diverse Supplier Form

Service-Disabled Veteran-Owned Small Business (SDVOSB)*

A small business that is at least 51% owned, operated, managed, and controlled by one or more U.S. service-disabled military veterans with a service-connected disability located in the U.S. or its trust territories who were discharged and released from active duty under conditions other than dishonorable.

Small Disadvantaged Business (SDB)*

A small business that is at least 51% owned, operated, managed, and controlled by one or more socially and economically disadvantaged individuals as determined in accordance with the requirements of the U.S. Small Business Administration.

Veteran Business Enterprise (VBE)

A business that is at least 51% owned, operated, managed, and controlled by one or more U.S. military veterans located in the U.S. or its trust territories who were discharged and released from active duty under conditions other than dishonorable.

Veteran Disability-Owned Business Enterprise (V-DOBE)

A business that is at least 51% owned, operated, managed, and controlled by one or more U.S. military veterans located in the U.S. or its trust territories with a disability not incurred during their time of service. Eligible veterans were discharged and released from active duty under conditions other than dishonorable.

Veteran-Owned Small Business (VOSB)*

A small business that is at least 51% owned, operated, managed, and controlled by one or more U.S. military veterans located in the U.S. or its trust territories who were discharged and released from active duty under conditions other than dishonorable.

Women Business Enterprise (WBE)

A business that is at least 51% owned, operated, managed, and controlled by one or more women who are located in the U.S. or its trust territories and are either U.S. citizens or legal permanent residents. Ownership, in the case of a publicly-owned business, means that has at least 51% of its stock is owned by one or more women.

Women-Owned Small Business (WOSB)*

A small business that is at least 51% owned, operated, managed, and controlled by one or more women who are located in the U.S. or its trust territories and are either U.S. citizens or legal permanent residents.

*A business concern that is categorized as small in its primary industry, based on revenue and/or employees, as determined by the Small Business Administration's [Small Business Size Standards](#).
